NOTES

Class Placement (*)

Class placements are determined by a few factors: parent requests, school/camp relationships, and mixing up classes each year. We accept parent "buddy" requests as part of online registration and will make every attempt to honor them for Jewish Studies (but not 3rd-6th grade Hebrew) classes, if submitted by August 1. When we don't receive requests, we try to place students with familiar faces from school, camp or the previous year's Religious School class, although we do mix up the classes each year as well.

Learning Needs (**)

Our goal is to create a successful, inclusive environment in which each child develops a love for Judaism and one another. In order to best achieve this goal, we would like to be able to integrate the same successful strategies used in regular school and home. This creates consistency and ensures that we are accommodating to each child's needs. Please share any learning needs or issues with us, as well as if your child has an IEP or receives resource services. Our Learning Specialists will reach out to parents and observe students in classrooms in order to help teachers best support students' learning.

Midweek Hebrew Notes (***)

3rd Grade Families: As an incoming 3rd grader, your child is eligible for Midweek Hebrew for the first time! We look forward to seeing them on Tuesdays from 4:30-5:30pm OR Wednesdays from 6:30-7:30 PM.

6th Grade Families: Please note that the 6th grade *B'nai Mitzvah* track consists of Sunday classes and a required Midweek Class.
